FOR IMMEDIATE RELEASE

### **IAPD Welcomes New Member Técnica Industrial de Polímeros, S.A. de C.V.**

OVERLAND PARK, KS — The International Association of Plastics Distribution (IAPD) is pleased to announce that Técnica Industrial de Polímeros, S.A. de C.V. (TIPSA), a manufacturer, has joined the association. The company is headquartered in Zapopan, Jalisco, Mexico. TIPSA recently celebrated its 30<sup>th</sup> anniversary of serving the plastics market in a wide variety of industrial and commercial fields, including but not limited to: mechanical parts, mining, beverage, steel mills, paper mills, flour mills, food industry and more. TIPSA manufactures and supplies nylon (cast parts and shapes), extruded PA, POM and UHMWPE (rods and plates) and injection molded parts. According to company officials, TIPSA joined IAPD in order to introduce its products into the United States and Canadian markets through the established and trusted distribution channels IAPD has to offer, as well as expand TIPSA's network of potential suppliers for raw materials required for its Mexican manufacturing operation. TIPSA's Founding Partner and General Manager Jorge Lozano and the entire staff at TIPSA are honored and excited to become a member of the IAPD family. More information is available at [www.tipsa.com.mx](http://www.tipsa.com.mx).

"I am pleased to welcome Técnica Industrial de Polímeros, S.A. de C.V. as a new IAPD member," said IAPD CEO Susan E. Avery, CAE. "IAPD represents the plastics distribution supply chain and most importantly, champions the use of plastics in applications and the use of distribution as the way to market. Companies who are admitted to IAPD as full members of the association must evidence their commitment to the plastics distribution supply chain. The association will be their essential source for networking, training tools, education, information and insight. Through IAPD, they will have access to the thought leaders in the plastics distribution industry."

### **About IAPD**

The International Association of Plastics Distribution (IAPD), established in 1956, brings together distributors, fabricators, manufacturers, manufacturers' representatives, recyclers and service providers in an environment which encourages a free flow of ideas and information that help members build their businesses. Every program and service we provide is designed with the simple goal of helping our members increase profitability. Membership in IAPD is an affordable business investment. IAPD provides training, connections with customers and suppliers and information about developments that impact the industry. What makes IAPD unique is a commitment to educating customers and other key end-users about plastics. In other words, IAPD works with members to build the demand for plastics. Central
